Important Notes:

* *Costs for new students only.*

** *Institutional costs.*

-Fees subject to change without notice.

-Costs in mexican pesos.

-The institutional charges must be covered in the "cash payment" method. In case of making monthly payments or "deferred payments", the cost of financing of 3.2% per month on the unpaid balance must be covered. The arrears interest is 6% monthly.

- Cost of attendance considers a dorm in a single room.

-To calculate the "Living expenses" an estimated budget was made, so they may vary.

-The tuition budget considers the enrollment of six subjects (36 units) per semester.

-Cost of attendance does not consider extracurricular activities.

-The budget of the item "Airfare" depends on the need of each student and the date on which the quote is made.
